13 DISPOSAL

Disposal of packaging: Packaging and packaging aids are recyclable and should be entered into the recycling process.

Battery disposal: Batteries do not belong in the household trash! As a consumer, you are obligated to return used batteries. These can be handed into local collection areas or to specialty shops.

select the quick key to allocate. In the point **Edit**, select the contact and save with (.

Note: The name must already be saved in the phone book.

Saving a new entry directly to quick dial keys is not possible.

Key 1 is reserved for the voicemail number. You can change this in the menu **Messages** → **Mailbox** → **Mailbox number**.

8 EMERGENCY FUNCTION

You can save a total of 5 emergency numbers (family, neighbours, friends, emergency services). These preselected numbers will be dialed automatically in a stored sequence in an emergency, if the emergency button on the back of the phone is pressed and held.

A continual warning signal sounds during the emergency so that you and the person called will know that this is an emergency! If the number is not reached, the second number will be called automatically. If the second number is not reached, the first will be called again and so on (max. 3 rotations of the two numbers).

Note: This telephone does not recognize whether a person or machine has picked up the call and assumes that the call has been successfully!

If no emergency number is saved or if your calling card has expired or you have no access to a foreign network (e.g. roaming not permitted), 112 can be dialed.

● Saving emergency numbers:

a. In menu Phone book → Emergency numbers →

Device Disposal: When this product is eventually taken out of service, please do not throw it into the household trash. Take care of the environment by bringing it to a collection area where old devices are accepted and brought into an environmentally friendly disposal/recycling procedure.

14 FREQUENTLY ASKED QUESTIONS

● **Screen shows "No SIM card!":** Check the direction of the SIM card (Gold contact facing downwards)
